GFL 621-21 - TWO SECONDS OUT. The 6th Place Pattaya International One Loft Race Winner, only 2 seconds out of 1st Place against 4,033 pigeons - 47 countries from 330 miles. Pattaya International One Loft race is flown in Thailand and is the biggest one loft race in the world! All the top fanciers from around the world send their best youngsters to compete in this race.

TWO SECONDS OUT arrived with the winning pigeons but landed a few feet from the trap and was beat with 5 other pigeons. TWO SECONDS OUT is a son of two of my very best breeders. His father is RAVEN who won 3rd Prize and 2nd Ace Pigeon in the Golden Algarve Final race. RAVEN is the father to 4 top winning pigeons - in 4 different countries when mated to 4 different hens.

Mother is NIGHT JEWEL - who also is the mother to MISS DEBBIE (GFL 893-22) - 1st Place Pattaya International Final Race Winner against 5,805 pigeons, 50 countries from 330 miles. She is very special do to her breeding 2 youngsters with 2 different males winning 6th place and 1st place in the #1 one loft race in the world.

This genetic package is second to none after beating all the big impact families from around the world two years in a row!

Vita King 912-2020 - NEW WORLD. Winner of 11th Place Hoosier International One Loft Final Race 2020. Bred by Andy Skwiat. NEW WORLD came on the 2nd drop with the 3rd place winner. Again, her genetic package is second to none! Her father is a full brother to two other incredible breeders - GFL 567-16 and GFL 555-15. Fernando Vasquez owns GFL 567-16 and Mark Mourtou owns GFL 555-15 - these two males have bred over \$500,000 USD in big one loft races like: 2nd Place Victoria Falls Final Race and 2nd Place Hoosier International One Loft Race Final Winner. Now, NEW WORLD breeds the 2nd Place Hoosier Classic International One Loft Final Race winner 2021- winning over \$132,500 USD.

ALCA 2132-14 - VERY SPECIAL. Bred by Matt Wiesbrock - a good friend of mine for 25 years. Named the male VERY SPECIAL because the bird is very special. When looking at his pedigree his genetics are second to none. The family is: THE NATURAL - which I bought and produced many top breeders and race winners here in America and also Holland Europe. THE NATURAL is also the father to MEMORIES - the mother to MONA LISA (GFL 487-06). Also on the pedigree is the GOLDEN MATTEENS - which is also the background of ROMARIO - the family of THOMAS 6.
