ZA CRU 1955-21 - JULIA.
1st Place Afrika Pro Premier Final Race
601 km ~ Winning \$170,000 USD

This is a very special hen - bred a top 10 winner in the 2024 Afrika Pro Races. In her genetic package you will several Gold Medal Winners and winners in the combine with over 5,000 pigeons.

She is bred by Kings & Gys Louw which I am sure everyone knows these top fanciers. You will see that their Number 1 breeding male is in the JULIA pedigree.

JULIA is one of my favorite hens - like I always said - "Winners breed winners and this hen is a big Winner."
